Medicare & Medicaid EHR Incentive Program Registration and Attestation System

Welcome to the Medicare & Medicaid EHR Incentive Program Registration & Attestation System

About This Site

The Medicare and Medicaid Electronic Health Records (EHR) Incentive Programs will provide incentive payments to eligible professionals and eligible hospitals as they demonstrate adoption, implementation, upgrading, or meaningful use of certified EHR technology. These incentive programs are designed to support providers in this period of Health IT transition and instill the use of EHRs in meaningful ways to help our nation to improve the quality, safety, and efficiency of patient health care.

This web system is for the Medicare and Medicaid EHR Incentive Programs. Those wanting to take part in the program will use this system to register and participate in the program.

Additional Resources: For User Guides to Registration and Attestation that will show you how to complete these modules, a list of EHR technology that is certified for this program, specification sheets with additional information on each Meaningful Use objective, and other general resources that will help you complete registration and attestation, please visit [CMS website](#)

Eligible to Participate - There are two types of groups who can participate in the programs. For detailed information, visit [CMS website](#)
